At ATB, our wide range of aluminium stair nosing ensures a suitable product is available for whatever the situation whether vinyl, concrete, carpet tiles or timber. The aluminium base can be screw fixed and the commercial grade fiberglass infill ensures the fixings are hidden.

Fully compliant with the Australian standards, this stair nosing has been tested in a NATA Qualified Laboratory resulting in a P5 slip resistance rating and is backed by a market leading warranty.

Luminance testing can be carried out upon request.
