## Product Data Sheet

Carborundum 50mm Grip Tape

At ATB, we offer a wide range of products to cater for all situations. This cost effective, easily installation option allows you to achieve the luminance contrast and desired slip resistance to comply with the Australian standards without the costs of an aluminium product. This heavy duty tape is available in a variety of colours and can be personalised upon request.

The carborundum grip tape has been tested in a NATA Qualified Laboratory resulting in a P5 slip resistance rating.

Luminance testing can be carried out upon request.
